

## NH-fuse-link battery protection NH1 DC700V 50A M1BAT50/700V

Article number: R1233502

(Illustration similar)

### Description

NH fuse-links for full-range protection of battery systems up to DC700V with top indicator.

### Features

Type:	M1BAT50/700V
Utilization category:	gBAT
Rated voltage DC:	700V
Size:	NH1
Rated current:	50A
Indicator / Signalling:	Top indicator
Power dissipation at rated current:	7.0W
Rated breaking capacity DC:	30kA
Time constant L/R:	10ms
Contact type:	Blade contact
Gripping lugs:	live
Approvals:	EAC
